
The Complete Organization Boot Camp 1.0™

The Complete Organization Boot Camp provides a 10-week intensive look at the 3 core tenants of your business: 1) Your *financial* foundation and revenue health; 2) The structure and compliance around your *employees*; and 3) The most critical *metrics* to capture and track in your business.

Boot Camp Format

Our unique format allows you to focus on the critical issues of your business on your timetable. Each Boot Camp segment includes online segments and individual coaching calls - each occurring at the timeframe that works best for you. No classroom and no rigid schedules.

Boot Camp Schedule

- Financial Health Checkup - Complete a financial assessment to ensure the key financial metrics of your company are stable and positioned well for growth.
- Talent Assessment - Audit your existing structure to ensure job roles, performance and capabilities are aligned with the future business strategy.
- Workflow Dashboards - Track the most important metrics of your operations in real-time that enables you to plan and respond to critical business dynamics.

You will receive a Business Health Assessment at the conclusion of the Boot Camp and recommendations to sustain your business goals.

Your Boot Camp Team

Valerie Dreier

Valerie Kemp Dreier is the managing partner for the firm Valerie Kemp Dreier, Certified Public Accountant, a full service public accounting firm that serves clients across the Southeast region providing accounting, tax planning and preparation, and business consulting. With 15 plus years' experience in the accounting profession, Valerie specializes in providing a wide variety of services to closely held businesses, non-profit organizations and individual clients.

Being raised in the home of retail grocery operators, Valerie has seen firsthand what it means to be a small business owner. By watching her parents, she developed a great appreciation for the hard work it takes to make an organization successful. Valerie graduated with a degree in Certified Public Accountancy from Lipscomb University in May 2004. Her degree was obtained while working full time at a local legal practice and accounting firm. She was granted licensure as a Certified Public Accountant in April 2007 and shortly thereafter opened the firm of Valerie Kemp Dreier, Certified Public Accountant.

Dennis Jackson

Dennis has over 20 years of experience in the consumer products, customer service and healthcare industries. As principal of WorXSolutions Management, LLC, Dennis is passionate about complex coordination to achieve results. His career has repeatedly positioned him to conduct the efforts of multiple stakeholders in processes, across organizations and far-flung geographic locations.

He specializes in finding new, better ways to solve problems and his approach has repeatedly resulted in achieving results at scale. Dennis holds an MBA from Union University. He is the past PTO president for Ravenwood High School and recently served as the Treasurer for the Tennessee Hemophilia Foundation.

Kayla Curry

Kayla dwells on ways to help others move to the next level in their professional and personal development. Her industry experience spans 20+ years in both the corporate sector and non-profit world where she has worn hats such as Director of Organizational Strategy, Director of Human Resources and Director of Staff Development.

Kayla's experience allows her to walk alongside your team to identify your people development needs then helps you discover a hands-on approach that advances your organization's vision and competitive advantage. She is President of Organization Impact, LLC, a DiSC facilitator, Registered Corporate Coach™ and the author of "Leadership Shorts: Practical Tips When You Are at Wit's End" and the Amazon bestseller "The Complete Experience: Unlocking the secrets that drive customer loyalty."
